

# THE KEIO MEDICAL SCIENCE PRIZE

## Guidelines for Making a Nomination

### **Criteria**

- The nominee must have made a breakthrough in medicine, life sciences, or a related field.
- The nominee must have made an outstanding contribution to basic and clinical medicine.

### **Selection**

13 selection committee members and around 70 specialists from various fields, within and outside Keio University, will select laureates through a rigorous review process.

### **Eligibility**

Nominees must be currently active in their field of research, and be expected to make future contributions to the field. The Keio Medical Science Prize is an international award.

### **Nomination**

- It is possible to make more than one nomination, however, the nominees' research themes must be different.
- There is no limit to the number of nominations from an institution or organization, but only a small number will be accepted from an academy.

### **Nomination Materials**

- Nomination form (enclosed)  
\*The form can also be downloaded from our web page at <http://www.ms-fund.keio.ac.jp/prize/index.html>.
