

THE KEIO MEDICAL SCIENCE PRIZE

Keio Medical Science Prize 2014 Invitation for Nomination

January 2014

Dear Sir/Madam:

On behalf of the Keio University Medical Science Fund, I would like to invite you to make a nomination for the Keio Medical Science Prize 2014. Keio University annually awards the Keio Medical Science Prize to recognize researchers who have made an outstanding contribution to the field of medicine or life sciences.

Please find the enclosed copy of guidelines, nomination form, and copy of the Keio University Medical Science Fund brochure.

We look forward to receiving your nomination.

Yours sincerely,

Prof. Atsushi Seike
President, Keio University
Chairman, Board of Directors of the Keio University Medical Science Fund

Keio Medical Science Prize 2014

- Objective** The Keio Medical Science Prize gives recognition to the outstanding and creative achievements of researchers in the field of the medical and life sciences, in particular those contributing to scientific developments in medicine. It aims to promote worldwide advances in life sciences and medicine, to encourage the expansion of researcher networks throughout the world, and to contribute to the well-being of humankind.
- Field** Basic medicine, clinical medicine, or life sciences closely related to medicine
- Prize** Each laureate receives a certificate of merit, medal, and a monetary award of 10 million yen.
- Ceremony** The award ceremony is scheduled to be held in November, 2014 at the School of Medicine, Shinanomachi Campus, Keio University, Tokyo, Japan.
- Eligibility** Nominees must be currently active in their field of research, and be expected to make future contributions to the field. The Keio Medical Science Prize is an international award.
- Deadline** Nominations must reach the Office of Keio University Medical Science Fund by March 10, 2014. Please refer to the guidelines for more details (see next page).

Prize Laureates

1996	Stanley B. Prusiner, Shigetada Nakanishi	2005	Yoshinori Fujiyoshi
1997	Robert A. Weinberg, Tadatsugu Taniguchi	2006	Thomas A. Steitz
1998	M. Judah Folkman, Katsuhiko Mikoshiba	2007	Brian J. Druker, Hiroaki Mitsuya

2003	Ronald M. Evans, Yasushi Miyashita	2012	Steven A. Rosenberg, Hiroyuki Mano
2004	Roger Y. Tsien	2013	Victor R. Ambros, Shigekazu Nagata

THE KEIO MEDICAL SCIENCE PRIZE

Guidelines for Making a Nomination

Criteria

- The nominee must have made a breakthrough in the fields of medicine and life sciences, or a related field.
- The nominee must have made an outstanding contribution to basic and clinical medicine.

Selection

13 selection committee members and over 60 specialists from various fields, within and outside Keio University, will select laureates through a rigorous review process.

Eligibility

Nominees must be currently active in their field of research, and be expected to make future contributions to the field. The Keio Medical Science Prize is an international award.

Nomination

- It is possible to make more than one nomination, however, the nominees' research theme must be different.
- There is no limit to the number of nominations from an institution or organization, but only a small number will be accepted from an academy.

Nomination Materials

- Nomination form (enclosed)
 - *The form can also be downloaded from our web page at <http://www.ms-fund.keio.ac.jp/prize/>.
- Nominee's curriculum vitae
- Nominee's bibliography
- Copy of major publications (5 maximum)

Please send all the materials listed above in PDF format via e-mail to k-nomination@adst.keio.ac.jp, or by post to the following mailing address:

Office of the Keio University Medical Science Fund
35 Shinanomachi, Shinjuku-ku, Tokyo 160-8582, Japan

* Please create PDF file for each nomination material. Major publications must be divided for each.

* Online nomination is also available. Please refer to the following website:

<http://www.ms-fund.keio.ac.jp/prize/index.html>

Deadline

Nominations for 2014 must reach the Office of the Keio University Medical Science Fund by **March 10, 2014**.

Please note

- **A nomination should be for one researcher. We do not accept a nomination for a group.**
- Nomination materials will not be returned.
- Nomination materials will be used exclusively for the selection process and will not be used or disclosed for any other purposes.
- You will be informed of the result after final decisions are made.
- Queries about the status of the selection process will not be answered.
- Even if you are not making nominations this year, please kindly let us know if there are any changes to your contact details. Please fill out the second page of the nomination form and send it back to us.
